

"I was supposed to make a bunch of puzzles, but my friends already made some. More time for me to relax and play my newest game!"

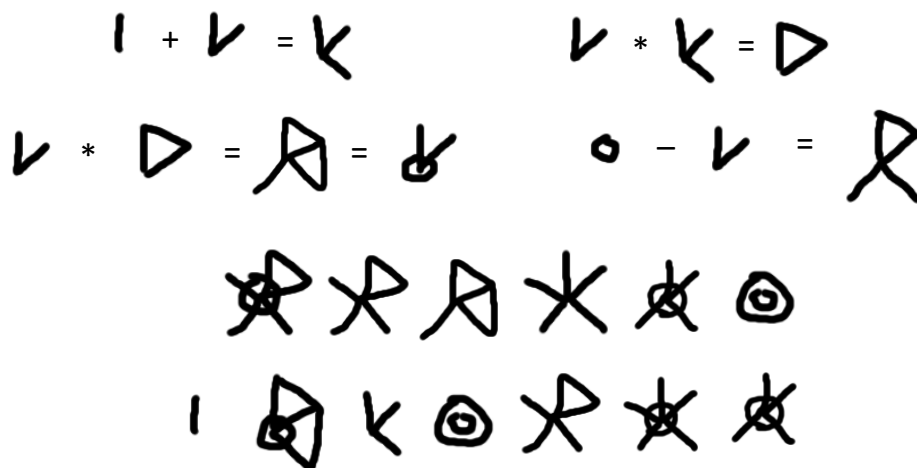

9-Volt

"It took me a whole month to collect all these Hanafuda cards!"

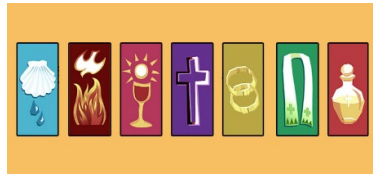

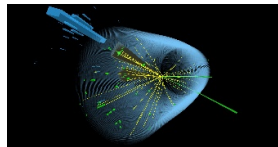

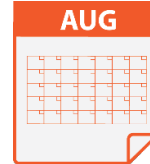

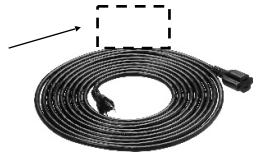

Ashley

"There seems to be something odd about these glyphs. Well, half of them at least."

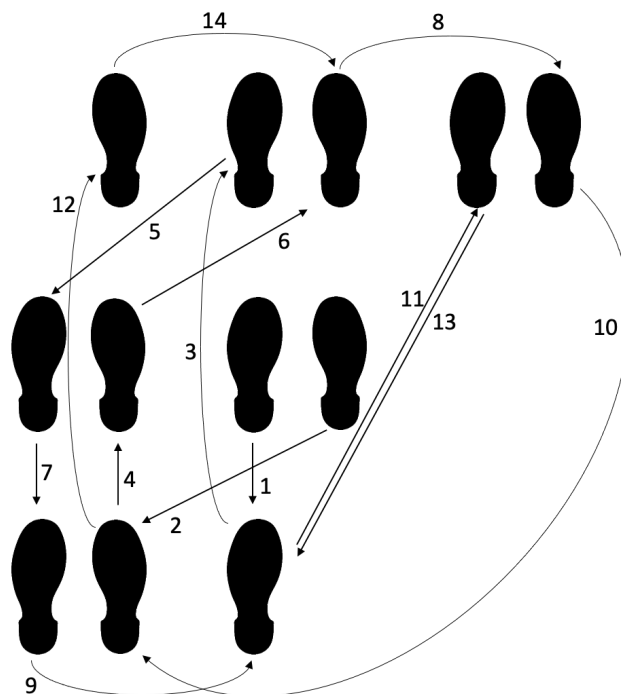

Dribble & Spitz

"I just got this list of new destinations for our passengers." "I think it's missing something..."

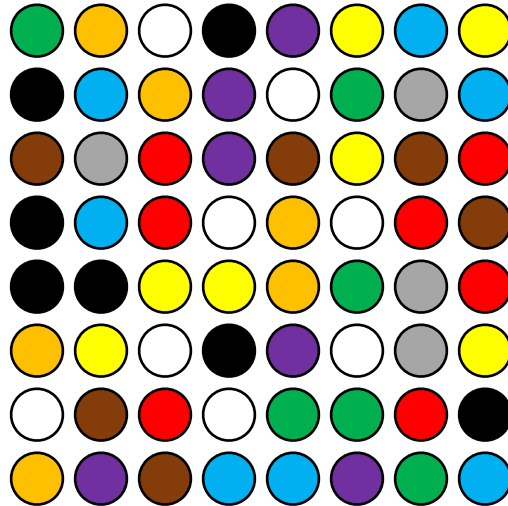

Jimmy T

"I'm hoping my new dance moves might help flag down some of the cool cats at the club!"

Mona

"This jewel-swapping game is impossible to resist!"

Orbulon

"I never was able to get help burgering my hams, but I've discovered other delicious examples of these 'compounds' you humans use."
